Job Application Accessibility Assessment

Can a Blind Job Seeker Successfully Apply to Your Jobs?

Put your application process to the test. A Disability Solutions accessibility specialist will apply to one of your open positions using JAWS and NVDA screen readers, documenting the experience from job search through application submission.

$500 per Job Review

What We Evaluate

- Job posting accessibility
- Application navigation
- Form fields and instructions
- Resume uploads
- Assessments and questionnaires
- Error messages and confirmations

What You'll Receive

- Recorded screen reader walkthrough video
- Pass/Fail accessibility determination
- A-F candidate experience grade
- Final report card
- Qualifying scores will also receive an Application Accessibility Verified badge

Request your Job Application Accessibility Assessment today.
See your application process through the eyes of a blind job seeker and uncover barriers before they cost you candidates. **Request a review today**.
